

Application No. 09/980,952

proposed changes to FIGS. 11A, 11B, 16, 17 and 44, marked in red on the attached copies of same. These changes correct for inconsistencies between FIGS. 11A, 11B, 16, 17 and 44 as originally filed and the specification. No new matter is added by the drawing changes. These drawing changes have been forwarded to the Official Draftsman pursuant to MPEP § 608.02(r).
